At 07:00 a.m o'clock, me, my mother ^{and my brother} went to my uncle's house. When we arrived at uncle's house, we helped to prepare provisions. One hour later, exactly 08:00 a.m o'clock we left my uncle's house. Evidently, the line was very long. We intend to return home. Suddenly, uncle advised us to went to the yellow bridge of Bungkutoko. We arrived there at 01:00 p.m o'clock. It took about one hour to arrive to Bokori Island. When we arrived on the Bokori Island, there was so many people in there. We got off the boat, then we ate. After we ate, we went around the Bokori Island while took pictures. Then, we swim and took a banana boat. The rental price was about Rp.50.000 / person. Finally, at 05:00 p.m o'clock we returned to took a boat from the island of Bokori, to the yellow bridge of Bungkutoko. We arrived at 06:00 p.m o'clock.

I was very happy because it was my first time went to Bokori Island. before I could only ^{hear} stories from my friend about how the Bokori was. But, I saw very much garbage so, ^{we must always} maintained cleanliness wherever we are.

My holiday on new year

Orientation
OK ✓

This new year was very memorable in my mind. That day I spent the night at my aunt's house.

It started the night before the year, at 10 Pm my family came together in my aunt's house. my aunt gave money as new year gift. When it was late at night we burned chicken but unfortunately my teeth hurt so I could not eat it and sleep to ease the pain. at 12 o'clock at night, my family came home. toothache subsided somewhat. I went out to see the fireworks but the fireworks were not visible from there because they were covered by house and clouds. Finally I went inside and slept.

Event

The next day, I woke up and my teeth didn't hurt anymore. Because I hungered to eat because last night I didn't eat. After eating, I took a shower and play my handphone until 2 Pm. After that my aunt told me I was going to kebun Raya and then we also got ready quickly and gone. When I got there, The internet network didn't exist at all. Finally we just took a picture. to get the top we had to go up a lot of stairs, so we were exhausted. at 5 pm we went home. before we got to road we stopped eating at the Sari laut and went home at 8 o'clock.
