

ABSTRAK

HAPSAH, NIM 15050101015. Management of Empowerment of Village-Owned Enterprises (BUMDES) of Noko Village, Wawonii Timur Utara District (Sharia management studies), Faculty of Islamic Economics and Business, Kendari State Islamic Institute through the guidance of Dr. Husain Insawan, M.Ag and Mr. H. Muh. Turmudi, S.Ag., MM

Empowerment of Village-Owned Enterprises (BUMDES) in sharia management studies with the main issues 1) the management of BUMDES in Noko village 2) how to empower BUMDES resources in Noko village 3) how to empower BUMDES in Noko village in sharia management studies

The aim of this research is to find out related to the management of village-owned enterprises (BUMDES) in the village of Noko in the northeastern district of Wawonii through sharia management studies. This study is a qualitative descriptive using observation, interview and documentary techniques sourced from primary and secondary data. Data reduction data analysis techniques, data presentation draw conclusions. As for testing the validity of the data using source triangulation techniques, technical triangulation and time triangulation

Based on the results of research management empowerment of Village Owned Enterprises (BUMDES) Mantawe shine. Management in BUMDes only uses three management functions viz. Planning, organizing and monitoring. BUMDes mantawe shines and has not yet implemented one of the management functions, namely scaling and there are still management functions that have not been optimally implemented as in the planning stages of a new business program. The empowerment of BUMDes mantawe shines through training in making handicrafts doing the stages of empowerment implementation, namely, planning, mentoring, evaluation and follow-up. By using these stages the empowerment of BUMDes mantawe shines in an effort to improve the economy of Noko Village so far it can be said to have been implemented well. The empowerment of BUMDes mantawe shines in the study of sharia management has not run optimally there is still the value of sharia management that has not been applied as the value of fathanah
